

RIGHTEOUS ALLIANCE LLC

COMMERCIAL CONSTRUCTION | FACILITY SUPPORT | PROJECT COORDINATION

Government • Commercial • Institutional

COMPANY OVERVIEW

Righteous Alliance LLC provides coordinated construction, renovation, facility support, and specialty trade solutions for government and commercial clients. We serve as a centralized point of coordination between clients, subcontractors, vendors, consultants, and specialty service providers to support project requirements from initial assessment through closeout.

CORE CAPABILITIES

- Commercial & Institutional Construction
- Construction & Project Coordination
- Renovation & Remodeling
- Facility Support Services
- Subcontractor & Vendor Coordination
- Remediation & Restoration Coordination
- Property & Building Assessments
- Roofing, HVAC & Plumbing Coordination
- Pest Control, Janitorial & Specialty Trade Coordination
- Project Documentation, Closeout & Property Recovery Support

DIFFERENTIATORS

- Single point of contact for multi-trade projects
- Qualified trade and service partner network
- Scalable project-specific teaming model
- Centralized scheduling, documentation and communication
- Prime, subcontracting and teaming support
- Construction, property-assessment and claims-related experience

RELEVANT EXPERIENCE & PROJECT SUPPORT

Experience supporting construction-related property assessments, contractor coordination, documentation review, restoration and remediation workflows, specialty trade coordination, project scheduling, stakeholder communication, and project closeout activities.
